MUNICIPAL REGISTER,

1887.

The MUNICIPAL REGISTER was first issued in 1841, in which year it appeared as a City Document of 104 pages. Its contents were: Rules and Orders of the Common Council; Joint Rules; Ordinances of the City; Statutes of the Commonwealth relating to the City; City Government of 1841, with Committees; Departments (comprising at that time the Treasury; Law; Police; Health; Public Land and Buildings, Lamps and Bridges; Fire; Public Charitable Institutions); Public Schools, and a list of the Ward Officers. From that date to the present time the MUNICIPAL REGISTER has been published annually. In 1848 a list of members of preceding city governments was added, with a necrological record. During a number of years it was also customary to publish in this volume the ordinances enacted during the year preceding, and the special statutes relating to the City of Boston. In 1876 statistics of registration and voting made their appearance, and since 1879 these have been given in tabulated form. In 1883 the custom of publishing portraits of the Mayor and presiding officers of the two branches of the City Council was established.

The establishment of the town of Boston dates from the passage of the order of the Court of Assistants on the 17th September (7th, O. S.), 1630, "that Trimountain shall be called Boston." The first city government was organized on the 1st of May, 1822 (St. 1821, c. 110). Roxbury was first recognized by the Court of Assistants as a town on the 8th Oct., 1630. It was incorporated as a city on the 12th March, 1846 (St. 1846, c. 95), and annexed to Boston 6th Jan., 1868 (St. 1867, c. 359; accepted 9th Sept.). Dorchester was named by the Court of Assistants in the same order in which Boston was named; and it retained its town organization until annexed to Boston on the 3d Jan., 1870 (St. 1869, c. 349; accepted 22d June). Charlestown was founded 4th July, 1629; incorporated as a city in 1847 (St. 1847, c. 29); annexed to Boston, 5th Jan., 1874 (St. 1873, c. 286; accepted, 7th Oct.). West Roxbury was incorporated as a town on the 24th March, 1851 (St. 1851, c. 250); annexed to Boston on 5th Jan., 1874 (St. 1873, c. 314; accepted, 7th Oct.). Brighton was incorporated as a town in 1806 (St. 1806, c. 65); annexed to Boston on the 5th Jan., 1874 (St. 1873, c. 303; accepted, 7th Oct.).

A CODIFICATION
OF THE
CITY CHARTER OF 1854
AND STATUTES AFFECTING THE SAME;
ALSO THE
AMENDMENTS OF 1885.

The first act of the Legislature of Massachusetts establishing the City of Boston was passed February 23, 1822, and adopted by the citizens of Boston, March 4, 1822. It is chapter 110 of the acts of 1821. The present city charter, being a revision of the former one, was passed April 29, 1854, and adopted by the citizens, November 13, 1854. It is chapter 448 of the acts of 1854. The charter herewith presented is a codification of the original enactment of 1854 and the general and special acts since then adopted. The numbering of the sections, up to and including section 65, is the same as in Stat. 1854, chap. 448, the principal features of the more important acts establishing departments and institutions being given in sections numbered from 66 onward. Marginal references indicate corresponding sections in the first charter of 1822. Where the provisions of the act of 1854 have been amended or supplemented by subsequent legislation, the text gives the section as amended, with reference in the margin to the amendatory statute. The language of the original charter is retained as far as practicable. Sections 66-79 are marked "additional," and are intended to show the variations made by special laws which have either suspended the general power to establish all necessary offices, or have treated of matters not included in the main charter. The changes made by Stat. 1885, chap. 266, are expressed in the text wherever possible; but that act covers so much new ground that it is also given entire; also the "Act to limit the Municipal Debt and the Rate of Taxation in the City of Boston," being chap. 178 of the acts of 1885.

Sections in pica are unchanged from the text of 1854, except §§ 25 and 60. Words in italics show verbal changes. Sections in small pica give the presumed state of the charter as affected by subsequent legislation.

BOARD OF ALDERMEN.

CHAIRMAN.

RULE 1. The chairman of the Board shall take the chair at the hour to which the Board shall have adjourned, and shall call the members to order, and, a quorum being present, shall cause the minutes of the preceding regular meeting to be read; and, in the absence of the chairman, the senior member present shall preside as chairman *pro tempore*.

RULE 2. The chairman shall preserve decorum and order; may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the Board, by motion regularly seconded; and no other business shall be in order till the question on appeal shall have been decided.

RULE 3. The chairman shall declare all votes; but, if any member rises to doubt a vote, he shall cause a return of the members voting in the affirmative and in the negative, without debate on the question.

RULE 4. The chairman may read sitting, but shall rise to state a motion, or put a question to the Board.

RULE 5. When the chairman of the Board or the chairman *pro tempore* shall desire to vacate the chair he may call any member to it; but such substitution shall not continue beyond an adjournment.

MOTIONS.

RULE 6. On all questions and motions whatsoever the chairman shall take the sense of the Board by yeas and nays, provided any member shall so require. And every ordinance, resolution, or order, except orders of notice, papers from the Common Council, orders of inquiry, and orders relating to the Department of Health, after being read, shall be laid on the table before its consideration by the Board, and no such resolution or order, except as above, shall be considered at the same meeting at which it is offered.

RULE 7. The chairman shall propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that, in naming sums and fixing times, the largest sum and longest time shall be put first.

RULE 8. After a motion is stated or read by the chairman it shall be deemed to be in possession of the Board, and shall be disposed of by vote; but the mover may withdraw it at any time before a decision or amendment.

RECONSIDERATION.

RULE 17. Any member may require the division of a question when the sense will admit it. A motion to strike out and insert shall be deemed indivisible ; but a motion to strike out being lost shall not preclude amendment, or a motion to strike out and insert.

A Committee on Ordinances, to consist of three Aldermen and five Councilmen, to whom shall be referred all ordinances introduced in either branch, or transmitted to them by vote of any standing committee. Unless specially instructed they shall merely pass upon the question of the form and legality of the ordinance so referred, but they may append an order that such ordinance "ought not to pass," and give their reasons therefor. Such reports shall be made in not over two weeks from the meeting at which the reference was ordered in the ordinance received from a committee.

To them shall be referred all requests of the Corporation Counsel for additional legal assistance, as provided in the Revised Ordinances of 1885, Chap. 25, § 3.

REPORTS OF COMMITTEES.

RULE 8. No report of a Joint Committee shall be received by either branch of the City Council unless agreed to by such committee at a duly notified meeting thereof.

RULE 9. Either branch of the City Council may commit or recommit to a Joint Committee; the reference of a

matter by either branch to its successor, or to the next City Council, or a reference with instructions, shall require concurrent action. The report back upon a matter so referred to a Joint Committee, and the action of the branch thereon, shall be noted on the record, but shall not require action by the other branch. The report of a committee upon any subject referred to it shall, unless otherwise ordered by the City Council or by the committee, be presented to the branch in which the order of reference originated. It shall be the duty of every Joint Committee to which any subject may be specially referred, to report thereon within four weeks, or to ask for further time.

RULE 10. All reports and other papers submitted to the City Council shall be written or printed, and no indorsement of any kind shall be made on the reports, memorials, or other papers, excepting those made by the officers of either branch. Every report of a committee shall be signed by a member belonging to the body to which it shall be presented, unless otherwise directed by the committee. Every order and notice of reference shall have indorsed upon it the name of the member offering it or making the motion. Such member shall be informed, by the clerk of the committee to which the matter is referred, of the time fixed for its consideration, if he gives notice of his desire to be heard thereon.

CLERK OF COMMITTEES.

RULE 11. The Clerk of Committees shall, at the request of the chairman of any committee of which he is clerk, make copies of any papers to be reported by it, and he shall notify each member of the City Council of all public committee hearings. He shall post daily in the corridor of the City Hall, and in the chamber of the Board of Aldermen, and in the City Messenger's office, a list of the committee meetings to be held that day.

ORDINANCES, ORDERS, AND RESOLUTIONS.

RULE 12. If any ordinance, order, or resolution, originating in one branch, shall fail to pass in the other, notice shall be given, under the signature of the clerk, to the branch in which the same originated.

RULE 13. In all votes requiring concurrent action the form of expression shall be "Ordered" for everything by way of command; and the form shall be "Resolved" for everything expressing opinions, principles, facts, or purposes.

APPROPRIATIONS AND EXPENDITURES.

RULE 14. Whenever the City Council shall order an expenditure by any committee, board, or officer, either in addition to the estimates on which the appropriation was made, or for an object not included in such estimates, it shall provide for the payment of the same.

No expenditure shall be made from the Reserved Fund except by a transfer to some other appropriation, or to a new appropriation to be established.

No expenditure shall be charged to the appropriation for Incidentals excepting the amounts necessary to pay judgments, or to settle claims against the city, and transfers.

RULE 15. When application shall be made for an additional appropriation, to be provided for by transfer or loan, such appropriation shall not be made until the application has been referred to, and reported upon, by the Committee on Finance.

RULE 16. No order authorizing the borrowing of money, or the transfer of one appropriation or part of an appropriation to another appropriation, shall be passed, unless two-thirds of the whole number of the members of each branch of the City Council vote in the affirmative, by vote taken by yea and nay.

RULE 17. No presiding officer of a board, or chairman of a committee, unless duly authorized by such board or committee, shall approve any bill or account against the city.

REFRESHMENTS AND CARRIAGES.

RULE 18. No bills for refreshments or carriages shall be paid, unless such bills shall specify in detail the names of the members to whom such refreshments or carriages are furnished, and the dates of furnishing the same. No member of the City Council shall incur any such bills, unless the same be furnished while performing some duty with which he has been charged by a committee of which he is a member, and by the vote of such committee authorizing such special expenditure. All bills for refreshments shall be presented at the time incurred, and shall be approved by the members of the City Council incurring the same; *provided, however*, that all bills contracted by sub-committees shall be submitted to and approved by the full committee.

All carriages shall be ordered through the City Messenger, who shall examine and audit the bills therefor within twenty days from the date they are incurred.

All bills for refreshments, or carriages, shall be paid from the appropriation for the Contingent Expenses of the City Council, and, if containing items incurred more than three months previous to the date of their presentation to the Auditor, shall go before the City Council for approval. The prices paid for all carriages hired under this rule shall be in conformity with the rates established by the Board of Police.

NOTICE TO OTHER BRANCH.

RULE 19. All papers requiring concurrent action shall be transmitted from one branch of the City Council to the other before the next regular meeting of the latter branch, with the action of the branch sending them indorsed thereon, and signed by the regular presiding officer of such

branch, or, in his absence, by the clerk, or assistant clerk, of such body. In case of votes or action by either branch, not based on written orders or papers, notice of the same shall be transmitted to the other branch, signed as herein-before directed.

REPORTS OF COMMITTEES.

RULE 20. Any report containing any recommendation, other than "leave to withdraw," or "inexpedient to take further action," or reference to another board or committee, shall be accompanied by an ordinance, order, or resolve, embodying such recommendation; and such report shall be acted upon separately.

RULE 21. Any member of a Joint Committee may submit a minority report at the same time as the majority report, and, if the latter be in print, he shall be allowed to submit his report also in print. Either branch may order to be printed the report of any committee submitted to it, or any document relating to a subject under consideration, the expense thereof to be charged to the general appropriation for Printing.

REPEAL.

RULE 22. The foregoing rules shall not be altered, amended, suspended, or repealed, at any time, except by the votes of two-thirds of the members of each branch of the City Council present and voting thereon.

RULES AND ORDERS
OF THE
COMMON COUNCIL.

RULE 1. Unless otherwise ordered from time to time, the regular meeting of the Common Council shall be held on every Thursday, at half-past seven o'clock P.M., and, on the appearance of a quorum, the Council shall be called to order. In the absence of the President the oldest senior member present shall take the chair, and a President *pro tempore* shall be chosen by ballot; and, if an election is not effected on the first trial, on subsequent trials a plurality vote shall elect.

PRESIDENT.

RULE 2. The President shall appoint and announce all committees, unless otherwise ordered, and shall communicate his appointments to the Council at the meeting following such action, if not made during a session. All vacancies upon committees shall be filled in the manner of original appointment; and members so appointed shall take rank according to the date of their appointment.

RULE 3. The President may at any time call another member to the chair; but such substitution shall not continue beyond an adjournment. In all cases the President may vote.

RULE 4. The President may make any rules that he deems proper to preserve order in the Council Chamber during sessions of the Council, and he shall forbid smoking in the Council Chamber during a session.

CLERK.

RULE 5. The Clerk shall keep a record of the acts, votes, and proceedings of the Common Council, and a separate record of all decisions of the Chair upon questions of order. He shall have the care and custody of all papers belonging to this branch of the City Council; and shall prepare a schedule of business in order for each meeting, in such manner as the President may direct.

He shall draw up and send all messages to the Board of Aldermen; and shall retain in his possession all papers until the right to file a notice of reconsideration has expired, and after such notice he shall keep the papers pertaining thereto until the right of reconsideration has expired.

CONDUCT OF MEMBERS.

RULE 6. Except when otherwise provided, no member shall speak for more than fifteen minutes, and a further equal time if the Council so vote. No member shall speak a second time on a question, if another member, who has not spoken, claims the floor.

RULE 7. No member shall interrupt another while speaking, except by rising to call to order, in which case the speaker shall not lose his right to the floor.

Every member, while speaking, shall confine himself to the question under debate, and shall refrain from personalities, and shall not refer to any other member of the Council except by a respectful designation; and no member shall speak or vote out of his place without leave of the President.

QUORUM.

RULE 8. Whenever, on a rising vote or on a roll-call, a quorum does not vote, or whenever a member raises the doubt of a quorum being present, the Chair shall ascertain

and declare whether a quorum is present. If there is no quorum present he shall immediately declare the Council adjourned.

COMMITTEES.

RULE 9. All matters relating to the elections of members shall be referred to the Standing Committee on Elections, which shall consist of five members.

RULE 10. There shall be a Standing Committee on Judiciary, consisting of five members, who shall have the power to obtain the opinion of the Corporation Counsel on all matters that shall be referred to them.

RULE 11. All committees of this Council shall be notified of their meetings by the Clerk of Committees. They shall not sit during sessions of the Council without special leave, nor be called on less notice than twenty-four hours from the time the notices are mailed by the clerk or despatched by special messenger, unless all the members consent; and they shall keep a record of their doings. The member first named shall be chairman, unless otherwise ordered by the committee, in which case the Council shall be notified of the change; and the same rule shall apply to the members serving on Joint Committees.

RULE 12. Special Committees of this Council shall consist of three members, unless otherwise ordered.

RULE 13. No report of any committee shall be received unless agreed to by such committee at a duly notified meeting thereof. Such report, when presented, may be ordered to be printed, and shall then take its place among the unfinished business for consideration at the next meeting. If, however, any such report has been ordered to be printed without having been previously read, the President may delay such printing until the next regular meeting of the Council, at which time he shall give notice of his action.

RULE 14. Committees of this Council, to whom any mat-

ter is especially referred, shall report within four weeks, or ask for further time.

COMMITTEE OF THE WHOLE.

RULE 15. When the Council shall determine to go into a Committee of the Whole the President shall appoint the member who shall take the chair.

RULE 16. The rules of proceedings in the Council shall be observed in Committee of the Whole, so far as they are applicable; but a motion to rise, report progress, and ask leave to sit again, shall be first in order, and shall be decided without debate; and the previous question shall not be moved.

COURSE OF PROCEEDINGS.

RULE 17. At every regular meeting of the Council the order of business shall be as follows:—

First. Reading of the records of the preceding meeting, if called for by any member.

Second. Motions, orders, and resolutions. They shall be read once, and may be referred or specially assigned, and, if no objection is made and no suspension of the rules is necessary, they may be given a second reading and passed.

Third. Communications and reports from city officers.

Fourth. Presentation of petitions, remonstrances, and memorials.

Fifth. Papers from the Board of Aldermen.

Sixth. Unfinished business of preceding meetings.

Seventh. Notices of motions for reconsideration.

Tenth. Motions, orders, and resolutions.

Provided, however, that not more than thirty minutes shall be allowed for the presentation of papers under the second

order of business. Papers shall be called for by divisions in numerical order, and only one member in a division shall be recognized until each division has been called.

RULE 18. All papers addressed to the Council shall be presented by the President, or by a member; and, unless the Council shall otherwise determine, they shall be read by the President, or such other person as he may request, and be taken up in the order in which they are presented.

RULE 19. All ordinances, orders, and resolutions shall, unless rejected, have two several readings, after each of which debate shall be in order, and they shall then be put on their passage. Whenever the second reading immediately follows the first the document may be read by its title only, unless objection is made.

RULE 20. No ordinance, and no order or resolution imposing penalties, or authorizing a loan or the expenditure of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document or to provide refreshments during a session.

MOTIONS.

RULE 21. Every motion shall be reduced to writing, if the President shall so direct, and no other motion shall be entertained until a reasonable time be afforded for compliance with such direction.

RULE 22. In naming sums and fixing times the largest sum and longest time shall first be put to the question.

RULE 23. When a question is under debate the President shall receive any of the following motions, but no others: —

1. To adjourn.
2. The previous question.
3. To lay on the table.
4. To close debate at a specified time.
5. To especially assign to a time certain.

6. To refer to a committee.
7. To amend.
8. To refer to another Board.
9. To postpone indefinitely.

These several motions shall not be applied to each other, except that the motion to assign, refer, amend, or to close debate at a specified time, may be amended; and the previous question may be demanded upon an amendment, which motion shall be decided without debate. When one of these motions has been made, none of the others, inferior to it in precedence, shall be made, and, in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

RULE 24. When a matter has been especially assigned to be taken up at a fixed hour, or at a certain stage of proceedings, such matter shall, at the time appointed, or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member, and take precedence of all other business.

RULE 25. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:—

- A Standing Committee of the Council.
- A Special Committee of the Council.
- A Joint Standing Committee.
- A Joint Special Committee.

RULE 26. A motion to adjourn shall always be in order, provided business of a nature to be recorded on the journal has been transacted since a motion to adjourn was rejected; and such motion shall be decided without debate.

RULE 27. Debate on a call for the previous question, or

on a motion to close debate at a specified time, or on a motion to lay on the table, or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

RULE 28. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

PREVIOUS QUESTION.

RULE 29. When the previous question is ordered the vote shall be taken upon all pending amendments, and finally upon the main question.

RULE 30. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal no member shall be allowed to speak more than once, without leave of the Council.

RULE 31. The previous question shall be put in the following form: "*Shall the main question be now put?*" and all debate upon the main question shall be suspended until the previous question has been decided.

APPEAL.

RULE 32. No appeal from the decision of the President shall be entertained unless it is seconded; and no other business shall be in order till the question on the appeal has been decided. The question shall be put as follows: "*Shall the decision of the Chair stand as the judgment of the Council?*" And it shall be deemed to be decided in the affirmative unless a majority of the votes given are to the contrary.

VOTING.

RULE 33. If the President is unable to decide, or if any

member doubts a vote, the President shall cause a rising vote to be taken on the question, without further debate. The President shall appoint two tellers for each division of the Council, as fixed by him, who shall agree on a count, and report the result aloud to him.

RULE 34. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present.

RULE 35. After the announcement of a vote not taken by yeas and nays any member may move for a verification thereof by yeas and nays, and on such motion a debate of the original question, not exceeding five minutes, shall be permitted; and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

RECONSIDERATION.

RULE 36. When a vote has been passed any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote, or whenever motions are in order; or if any member, who is not shown by a yea and nay vote to have voted against the prevailing side, shall give notice to the Clerk before ten o'clock A.M. of the next day but one following that on which a meeting was held (except the final meeting of the year, or that preceding any adjournment for over two weeks), of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

RULE 37. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

RULE 38. When a motion for reconsideration has been decided that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon either of the following motions:—

- To adjourn.
- The previous question.
- To lay on the table.
- To take from the table.
- To close debate at a specified time.

ELECTIONS.

RULE 39. All officers receiving any compensation from the City of Boston, who are primarily elected by the City Council, shall be chosen in this branch by ballot, at a meeting subsequent to the one at which they are reported as nominated by a committee, or as elected by the Board of Aldermen.

RULE 40. In all elections by ballot the number of blanks cast shall be reported, but shall not be counted in the returns. Ballots cast for ineligible persons shall be counted and reported, but only for the purpose of ascertaining the whole number of ballots cast. Where a plurality elects, if an ineligible person receive a plurality there shall be no choice.

SEATS OF MEMBERS.

RULE 41. No person, except a member of the Council, shall be permitted to occupy the seat of any member while the Council is in session. The seats of the members of the Council shall be numbered, and shall be determined, in the presence of the Council, by drawing the names of members and the numbers of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number

so drawn against his name, and shall not change it, except by the permission of the President.

SPECTATORS.

RULE 42. The City Messenger shall allow no person upon the floor of the Council Chamber, or the anteroom on the westerly side, while the Council is in session and after the seats provided for spectators have been occupied, except members of the City Government and reporters, without the permission of the President; and the President shall order such accommodation on the floor for reporters and spectators as he shall deem proper; *provided, however*, that no spectators shall be seated behind the members of the Council. No person except members of the City Government and reporters shall be allowed in either of the ante-rooms on the easterly side during any session of the Council.

RULE 43. The Council Chamber shall be used for meetings of the Council only, unless by special vote of the Common Council; *provided*, that during the summer recess the President may allow the chamber to be used for public purposes, in all cases reporting his action to the Council at its next meeting. The anteroom and large committee-room on the east shall be subject to the same rules; except that the President may allow committee-meetings to be held therein at times when the Council is not in session. The Clerk's room shall be assigned to the Clerk of the Common Council for occupancy and use. The anteroom between the Council Chamber and the Clerk's room shall be used during the meetings of the Council to give access to the seats on the floor, and such other purposes as the President may direct; *provided*, that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the City Messenger, subject to the direction of the President; but no expenditure of money shall be made except by direct vote of the Common Council.

REFRESHMENTS.

RULE 44. No bill for refreshments or carriage-hire shall be incurred by any member of the Common Council, except in the discharge of official duty, and by the vote of the Common Council, or a Committee thereof, specifying the duty to be performed, the amount to be expended, and the method. All such votes of the committees shall be reported in detail once a month to the Auditing Committee hereinafter provided. All carriages shall be hired through the City Messenger, who shall obtain and verify the bills within twenty days from the date when they were incurred. When the Common Council is in session at eleven P.M., the City Messenger is directed to provide carriages to convey members to their respective homes, if they so desire. The President is hereby authorized to incur bills for refreshments or carriage-hire while in the discharge of his official duties. The prices paid for all carriages hired under this rule shall be in conformity with the rates established by the Board of Police. All bills so incurred shall be charged to the Contingent Fund of the Common Council, and shall be audited, before presentation to the City Auditor, by a committee of three members of the Common Council. Said committee shall satisfy themselves of the correctness of such bills, both as to authority and amount, and may require evidence before approving them for payment; such audit shall be completed monthly, on or before the twenty-fifth day of the month, and no bill shall be considered unless presented within three months of the date of incurring the same.

The City Auditor shall report in print every three months, giving in detail the bills allowed and the votes authorizing the same.

Battery-man, James L. Gethins.

The above are appointed by the Board of Fire Commissioners.

A constant watch is kept at the head-quarters, City Hall, night and day, by the operators. Each operator has assigned to him certain hours of duty, during which time he is responsible for the correct working of the apparatus in giving alarms, and all testing of the circuits and other details pertaining to the service. An automatic arrangement is connected with the receiving apparatus, by which assistance may be called from the sleeping apartments, if at any time the operator should be suddenly incapacitated by illness from performing his duties. No operator is permitted to sleep during his watch, unless expressly relieved by some one else, and by consent of the Superintendent.

An accurate account is kept of the time of giving each alarm, and of the station from which it originates, and all other necessary information.

Alarms are transmitted to the Central Office, from the Signal Stations, or Boxes, by pulling a slide in the box. The police-officers and one other person resident near each station have keys to the boxes. There are 363 fire-alarm boxes in connection with the head-quarters, numbered variously from 2 to 812.

ALARMS are sounded by striking the number of the box upon the alarm-bells, and upon the gongs in the engine-houses, for three rounds.

Alarms are usually given about half a minute from the time the box is operated.

Second Alarms are sounded by striking ten blows, followed by box number. *Third Alarms* are sounded by striking ten blows twice, followed by the box number.

In cases where the entire department is required, alarms are sounded by striking twelve blows twice, followed by the box number.

In cases where Hook and Ladder Companies *only* are wanted, the signal is given by striking fifteen blows once, with the number of the Company struck twice, thus: Hook and Ladder No. One, 15 — 1 — 1. Hook and Ladder No. Four, 15 — 4 — 4.

If more than one Hook & Ladder Company is wanted, the signal is

given thus: Hook & Ladder One and Three, 15 — 1 — 1 — 3 — 3. Hook & Ladder Two and Four, 15 — 2 — 2 — 4 — 4.

Of other signals given on the fire-alarm bells, **189** indicates a fire at Deer Island; **198** indicates a call from Chelsea for assistance; **22** indicates no school; eleven blows indicates Police call.

MERIDIAN BELLS, at their various locations on churches, school-houses, in engine-houses, and R.R. depots, are struck from the Fire-Alarm office precisely at noon (Standard time), every day. Correct time is furnished by telegraph from Cambridge Observatory, so that absolute accuracy is secured.

All bells in the city proper north of Dover street, except the Faneuil Hall bell, have been cut out from sounding public alarms.

The Board of Fire Commissioners makes rules and regulations for the performance of the duties of the Fire-Marshall, and supervises his investigations and proceedings when in its opinion the public interests will be subserved thereby. The salary and expenses of the Fire-Marshall are repaid to the City of Boston from the treasury of the Commonwealth, to an extent not exceeding 25 per cent. of the State tax collected on premiums for writing fire risks in the City of Boston during the preceding year.

SELECTMEN

OF THE TOWN OF BOSTON, FROM 1634 TO 1821, INCLUSIVE.

Prior to the date when the seven Selectmen became regular officers, similar officials had served. The earliest entry preserved in the Town Records is dated Sept. 1, 1634. We cannot, therefore, learn when the custom began of choosing selectmen, or townsmen. We find at that date, however, a board of ten citizens in office, —

John Winthrop, William Coddington, John Underhill, Thomas Oliver, Thomas Leverett, Giles Firmin, John Coggeshall, William Pæirce, Robert Harding, and William Brenton.

Oct. 6, 1634. — Richard Bellingham and John Coggan were chosen in place of Firmin, deceased, and Harding, now in Virginia.

March 1, 1636. — Chosen: Thomas Oliver, Thomas Leverett, William Hutchinson, William Colburn, John Coggeshall, John Sanford, Richard Tuttle, William Aspinwall, William Brenton, William Balston, Jacob Eliot, and James Pen.

Sept. 16, 1636. — Hutchinson, Oliver, Leverett, Colborn, Coggeshall, Sanford, Brenton, and Balston reëlected, and two new men added, — Robert Keayne and John Newgate.

March 20, 1637. — Eight reëlected; Eliot and Pen returned in place of Keayne and Newgate, and Robert Harding added. In all eleven.

Oct. 16, 1637. — Eleven chosen: ten reëlected, and William Aspinwall in place of Brenton.

April 23, 1638. — Seven chosen: Oliver, Leverett, Keayne, Colborn, Newgate, Pen, and Eliot, — all having served before.

Nov. 5, 1638. — Seven chosen: six reëlected, with Robert Harding in place of Newgate.

April 29, 1639. — Nine chosen: Oliver, Leverett, Keayne, Colborn, Harding, and Eliot; Pen dropped; Edward Gibbons, William Tyng, and John Cogan added.

Dec. 16, 1639. — Nine chosen: Colborn, Harding, Eliot, Gibbons, Tyng, and Cogan reëlected; Gov. John Winthrop, Richard Bellingham, and William Hibbens, new members.

Sept. 28, 1640. — Nine chosen for the next six months: Colborn, Eliot, Gibbons, Tyng, Winthrop, Bellingham, and Hibbens, old members; with John Newgate and Atherton Hough added.

May 27, 1641. — Nine chosen: the seven old members, with John Oliver and James Pen for Newgate and Hough.

March 6, 1641-42. — Nine chosen: eight reëlected, and Valentine Hill in place of Hibbens.

Sept. 2, 1642. — The same nine reëlected for six months.

March 20, 1642-43. — Winthrop, Bellingham, Tyng, Gibbons, Colborn, Eliot, Hill, and Oliver reëlected; Hibbens put in place of Pen.

Sept. 25, 1643. — Same nine reëlected.

May 17, 1644. — Eight reëlected, with Pen for Bellingham.

April 10, 1645. — Eight reëlected, with Edward Tyng for William Tyng.

Dec. 26, 1645. — Winthrop, Hibbens, Gibbons, Colborn, Hill, Eliot, and Pen reëlected; Oliver and E. Tyng dropped; Robert Keayne and Thomas Fowle added.

No election is recorded in 1646, though all but Fowle were serving Feb. 25, 1646-47. Probably some change had taken place about this time, as March 13, 1646-47, we find a board of seven acting, and the same seven were chosen five days later at a "general town's meeting warned from house to house." From this time it seems to have been a settled custom to elect seven selectmen in March for the year ensuing, though occasionally this number was exceeded.

The election of Mayor for 1845 was more warmly contested than in any former year. There were not less than eight several ballotings by the citizens. At the eighth trial, on the twenty-first of February, Thomas A. Davis was elected.

In the meantime, from January to February 27, 1845, William Parker, one of the Aldermen, having been elected Chairman of the Board of Aldermen, performed the duties of Mayor.

On the sixth of October, Thomas A. Davis, being in declining health, resigned the office of Mayor, which resignation, however, was not accepted by the City Council; and on the twenty-second of November he died, being the only Mayor who has died in office since the organization of the city government in 1822.

On the eleventh of December, Josiah Quincy, Jr., was elected Mayor by the City Council, for the unexpired term of 1845. Benson Leavitt, one of the Board of Aldermen, acted as Chairman of the Board in the interval between the death of Mr. Davis and the election of Mr. Quincy.

In 1851 Benjamin Seaver, having already been elected an Alderman of the city for 1852, was afterwards chosen Mayor for said year. At the commencement of the ensuing municipal year, 1852, he resigned as an Alderman, and accepted the office of Mayor.

The election of Mayor for 1854 was continued through three ballotings, from December 12, 1853, to January 9, 1854. In the meantime the duties of Mayor were performed by Benjamin L. Allen, Chairman of the Board of Aldermen.

At the municipal election, in 1872, William Gaston was certified, by the returns of the officers of the several wards, to have been elected Mayor of the city for the next municipal term. But, upon charges of alleged fraudulent practices in one of the wards of the city, a recount of all the ballots cast at said election was demanded and made; and, it appearing therefrom that Henry L. Pierce had 79 plurality, he was declared duly elected Mayor for the year 1873.

In 1873 Henry L. Pierce, Mayor of the city, was elected a member of the 43d Congress from the Third Massachusetts District, in place of William Whiting, deceased. Mr. Pierce resigned his office as Mayor on November 29, and occupied his seat in Congress on December 1, 1873.

The duties of the Mayor for the remainder of the municipal year were performed by Leonard R. Cutter, Chairman of the Board of Aldermen, who signed all official papers as "Acting Mayor."

ALDERMEN.

Nathaniel P. Russell, Daniel Baxter, Joseph H. Dorr, reëlected ; and Thomas C. Wales and Redford Webster, elected 1825, declined.

George Blake, reëlected for 1826; declined.

In 1828 Robert Fennelly died while in office.

John Stevens, elected for 1832, died prior to the organization.

James Savage, elected for 1834, declined.

In 1845 William Parker resigned.

In 1848 George E. Head resigned, and was chosen one of the Principal Assessors.

In 1853 Lyman Perry, who had been elected, died before his qualification.

In 1855 John M. Clark resigned, and was appointed Sheriff of Suffolk County.

In 1856 Levi B. Meriam died while in office.

In 1858 Rufus B. Bradford resigned, and was afterwards appointed Measurer of Grain.

In 1859 Timothy A. Sumner resigned, on account of illness, and soon afterwards died.

In 1878 Samuel C. Perkins died while in office.

In 1879 Benjamin Pope died while in office.

In 1880 George E. Bell died while in office.

In 1885 Edwin F. Leighton died while in office.

At the municipal election, in 1852, *nine* Aldermen had a majority of ballots ; but, in accordance with the statute, the eight who had the highest number of votes were declared elected.

The municipal government for 1855 was the first one that was organized under the new or revised City Charter, which provided for the annual election of *twelve* Aldermen.

At the municipal election, Dec. 14, 1880, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of fifteen votes over James J. Flynn, and a very slight difference in the number of ballots cast for other candidates who failed of election. A recount of the ballots cast for Mayor and Aldermen was thereupon demanded in legal form. A committee of the Board of 1880, having made the recount,

reported, Dec. 27, that Mr. Flynn was elected, having received a plurality of votes over Mr. Frost; and Mr. Flynn took the seat at the organization of the Board of 1881. Mr. Frost gave notice of his intention to contest the seat of Mr. Flynn, and also of Mr. Haldeman who had received the next greatest number of votes. A committee of the Board of 1881 was appointed to consider the matter, and reported, March 14, 1881 (City Document No. 38, of 1881), the majority declaring Mr. Frost entitled to the seat held by Mr. Flynn, with two minority reports. The majority report was accepted, March 21, and Mr. Frost took the seat. One peculiar incident in this case was the reception of a numerous signed petition asking the Board to examine and recount the ballots for Messrs. Woolley, Haldeman, and Flynn, sitting members, and Messrs. William Frost, John Thompson, and George S. Dexter, standing next highest on the precinct returns; another was the fact that many ballots were either mislaid or stolen, in Precinct 3 of Ward 13, on election day.

At the municipal election, Dec. 13, 1881, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of 154 votes over Charles V. Whitten. On petition, in due legal form, a committee of the Board of 1881 made a recount of the ballots cast for Mayor and Aldermen, and reported that Mr. Whitten was elected over Mr. Frost, and Mr. Whitten took the seat. Mr. Frost contested the seat of Mr. Whitten, and called for a reëxamination of the ballots cast. Such examination was made by a new committee, which reported, January 17, that William Frost had 19,861, and Charles V. Whitten had 19,825. On January 19, 1882, the seat was awarded to Mr. Frost.

For reports of *contested seats* in the Board of Aldermen see City Document No. 7 for 1861, and City Document No. 16 for 1862.

At the municipal election, Dec. 12, 1882, the returns of the precinct officers showed Edwin F. Leighton to be elected Alderman by a plurality of 102 votes over Joseph Caldwell. On petition in due legal form a committee of the Board of 1882 recounted the ballots cast for these two candidates, and reported, Dec. 26, that Joseph Caldwell appeared to be chosen by a plurality of 14; and that in addition there were found 3 ballots for "—— Caldwell," 1 for "E. F. Leighton," 18 for "F. Leighton," and 11 for "—— Leigh-

ton ;” also, that, “ with the exception of the name ‘ E. F. Leighton,’ which was written, the abbreviated names above recited were plainly legible beyond the edges of ‘ stickers,’ or ‘ pasters,’ which covered and concealed the Christian names of Messrs. Caldwell and Leighton, those stickers having been pasted upon an adjoining name, but being of such length as to partly cover the names in question.” The committee further reported that there was plainly no intent to cancel the names over which the stickers extended. Mr. Caldwell, who was a member of the Board of 1882, thereupon stated his intention of not appearing to claim a seat in the Board of 1883, and introduced an order, which was passed, declaring that, in the opinion of the Board, the abbreviated ballots should be credited to Mr. Leighton. The Board of 1883, on petition of Mr. Leighton, awarded him the seat at the first meeting, Jan. 1.

William M. Osborne, of Ward 21, resigned Aug. 27, 1885, and was appointed a member of the Board of Police.

There have been the following successfully contested elections:—

The first, February 22, 1830, vacated the seat of a member from Ward 6, on the ground that "closing the poll before the hour at which the voters were notified it would be closed was a violation of the rights of the voters."

The second, May 7, 1835, vacated the seats of the members of Ward 3, who were returned as having been elected at an adjourned meeting, December 11, 1834, on the ground of irregular proceeding, to render the whole number of votes certain by taking the highest number of votes for candidates on each opposing ticket, adjournment of the meeting by the sole authority of the Warden, and other irregularities, at the annual election, December 8.

The third case, March 7, 1839, vacated the seats of three members of Ward 12, on the ground that a number of illegal voters, sufficient to affect the choice, voted at the polls.

The fourth, February 9, 1843, vacated the seats of three members from Ward 1, returned as elected at the adjourned meeting, December 14, on the ground that four votes for non-resident candidates (after having been first thrown out by the ward officers)¹ were counted at the annual election, December 12, thereby preventing the choice of two other candidates, who, by excluding the said four votes, were by the decision of the Council declared elected, leaving one vacancy.

The fifth, February 27, 1851, vacated the seats of two members from Ward 3, on the ground that they were chosen at an adjourned meeting, which was illegally held. At the subsequent trial the same members were again returned to the Common Council.

The sixth, January 20, 1853, vacated the seats of three members of Ward 3, on the ground that they were chosen at an adjourned meeting, which was illegally held.

The seventh, February 3, 1853, in accordance with the *Report of the Committee on Elections*, vacated the seats of three members from Ward 11, on the ground that the Mayor and Aldermen had no right to issue warrants for election of members of the Common Council, after the annual election, and before the organization of the government-elect. But inasmuch as the elections in question were conducted *bonâ fide*, and no other informality was apparent, and as this custom of supplementary elections had been in vogue for twenty years, the members thus elected were by the vote of the Common Council declared entitled to their seats.

The eighth, March 19, 1863, in accordance with the *Report of the Committee on Elections*, vacated the seat of a member from Ward 3, on the ground that at the time of his election he was not an inhabitant of that ward. Before a decision was reached on this point the member in question resigned.

The ninth, April 9, 1863, vacated the seats of the entire delegation from Ward 10, on the ground that more votes were returned than there were persons who voted in that ward at the municipal election, — occasioned by mistake, probably, in the counting of the

¹ This fact was admitted, though not stated in the report of the committee.

ballots, — the variation being so great as to affect the election of the whole delegation. At the subsequent trial the same members were again returned to the Common Council.

The tenth, January 24, 1867, vacated the seat of a member from Ward 3, who was chosen at an *adjourned meeting* (held on account of a tie-vote at the regular meeting, Dec. 10, 1866), on the ground that the polls at said adjourned meeting were not kept open the same number of hours as were required by the original warrant. At a subsequent election the same member was returned to the Common Council. [See City Doc. No. 12 for 1867.]

The eleventh, January 16, 1868, vacated the seat of a member returned from Ward 10, because by the count of the original ballots cast in said ward it appeared that another person was chosen.

The twelfth, January 6, 1870, vacated the seat of a member returned from Ward 13, for the same reason as recited above.

The thirteenth, January 5, 1871, vacated the seat of a member returned from Ward 15, for the same reason.

The fourteenth, January 18, 1872, vacated the seat of a member returned from Ward 7, for the same reason.

The fifteenth occurred as follows: —

At the annual municipal election in 1871 Frederick S. Risteen was declared elected as a member from Ward 10. This election was contested by J. Q. A. Brackett, and a recount of the original ballots showed that said Brackett was elected by a plurality of one ballot over F. S. Risteen, and said Brackett was accordingly declared by the Common Council of 1872 to be entitled to the seat. Subsequently Mr. Risteen contested this decision, on the ground that his name was erased from a number of ballots by some one of the ward officers *after* said ballots were deposited by the voters. After a protracted inquiry the Common Council sustained this view of the case, and Mr. Risteen was again returned to his former seat, and was again duly qualified on February 1, 1872. [See City Doc. No. 18 for 1872.]

The sixteenth, January 4, 1874, vacated the seat of a member returned from Ward 13, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

The seventeenth, January 14, 1875, vacated the seat of a member from Ward 1, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

The eighteenth, January 4, 1877, vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

The nineteenth, January 10, 1878, vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in that ward, it appeared that another person was chosen.

The twentieth, Dec. 27, 1880 (see records of Board of Aldermen of said date), vacated the seats of one member from each of the following-named wards, viz., 3, 13, 16, and 19, because, from an examination of the original ballots cast in said wards, it appeared that other persons were chosen. From an examination made at the same time of the original ballots cast in Ward 5, it appeared that, instead of there being a tie vote for a third member from said ward, three members were duly chosen. Peculiar features of the case in Ward 13 are, that some of the ballots undoubtedly deposited by the voters of Precinct 3 of this ward were either mislaid or stolen at the polling place; and that the Committee of the Board of Aldermen of 1880, who examined the ballots for Common Council in that ward, erroneously reported that the sitting member had been duly elected.
